Discovering Lincoln & the Wolds

**ITINERARY**

**DAY ONE** We depart Cumbria in the morning and head via Scotch Corner and the A1 to Beverley, time at leisure for lunch and to explore this stunning market town, with its awe-inspiring Minster, historical buildings, cobbled streets, and small town charm. We depart late afternoon for the journey over the Humber Bridge to Brigg and our hotel, the Forest Pines Country Club. Dinner in the hotel.

**DAY TWO** North Lincolnshire is our destination today. We begin with a visit to Europe’s largest antique centres, in the village of Hemswell. Within four separate buildings you will find around 400 dealer display areas, look through the vast array of bygone treasures and—who knows—you may discover that antiques bargain you’ve been searching for. We then head to Gunby Hall & Gardens a lovely country house and Victorian walled gardens situated at the foot of the Lincolnshire Wolds. Explore three floors of the hall full of interesting collection pieces amassed over generations from 1700 until 1963 and chat to the room guides to find out stories about Gunby’s interesting past. The eight-acre gardens have sweeping formal lawns, flower borders, vegetable gardens and wildflower corners. Complete your visit with a stop in the charming tea-room and enjoy some home baked cake. Dinner on our return to the hotel.

**DAY THREE** Today we head into Lincoln. Stroll around the atmospheric Cathedral Quarter and the streets of Bailgate, visiting the magnificent Cathedral, followed by a wander down the cobbles of Steep Hill with its shops and tea rooms (take the shuttle bus if it proves too steep!). Enjoy a coffee at one of the waterfront cafes, or visit the Museum of Lincolnshire Life. Lincoln is a fascinating city. Dinner at the Forest Pines tonight.

**DAY FOUR** Following breakfast today we head to Belton House & Gardens, Belton House is a late 17th century Grade I listed country house and Victorian walled gardens surrounded by formal gardens. It was the seat of the Brownlow family for three hundred years, but was given to the National Trust in 1984. The rooms are 17th century, Regency, Victorian and 1930’s style. There are also ‘below the stairs’ tours which offer a remarkable insight into a servants life. Final dinner on our return to the hotel.

**DAY FIVE** We leave our hosts at the hotel and commence our journey home, we have time for lunch and sightseeing in the city of York before arriving back in Cumbria early evening.

Our Trading Charter With You

1. Why should I read this?
Because it is very important. Our Trading Charter forms a key part of our agreement with you. It not only comprises the terms of this Trading Charter, but also includes arrangements, which we have put in place to ensure that your Consumer Guarantee is protected. These Consumer Guarantee arrangements are described below:

2. How and when do I make this contract with you?
We welcome you making contact with us in a number of ways. You can write to us, phone us, email us, or visit our website. When you contact us, the contract is made when your booking is entered onto our reservation system and we issue a confirmation of booking. We will send you, the confirmation of your booking within 5 days. Please check this confirmation very carefully to make sure all the information is correct and tell us, immediately of any errors.

3. How is my money for the package I booked protected?
Your money is protected by the Consumer Guarantee described below and provided to you by the BCH Group. This is protectable because we subscribe to the Code of Conduct of the BCH Group, which requires us to take out a bond from a financial entity in favour of the BCH Group for its use to provide protection for your package money in the unlikely event that, for financial reasons, we can’t carry out our booking obligations to you.

4. BCH Group Consumer Guarantee
The Bonded Coach Holidays Guarantee guaranties to you that in the event of our failure through insolvency to provide your package as booked, BCH Group will:

4.1 whenever possible, arrange for your package to be completed;
4.2 where failure occurs after your package has begun, arrange for you and those in your party covered by the booking to be returned by an appropriate means of transport to their UK area of departure;
4.3 if the package cannot be completed as booked, to reimburse your booking payments received by us, provided that:
   a) you have not received a comparable alternative offer from an alternative travel supplier;
   b) you are entitled to a refund from any other applicable travel supplier;

The extent of your financial protection by the BCH Group Consumer Guarantee, is limited to a maximum amount of £25 per person, or any reasonable additional costs caused by the transfer. You will be entitled to a refund from any other applicable travel supplier. Where you are entitled to a refund from another travel supplier, we will refund the balance of your booking payment to you, less any reasonable additional costs caused by the transfer to you and not withstanding financial protection by the BCH Group Consumer Guarantee, you are entitled to a refund from any other applicable travel supplier.

5. Payments by Credit Card
If you make payment for the booking of any services using a credit card it is likely in many circumstances that you have recourse against the credit card company in the event of services not being supplied in whole or in part due to the supplier’s financial insolvency. In such circumstances, you will be advised to check that you have exhausted your remedies against the credit card company.

6. When do I need to pay for my package and how much?
We reserve the right to alter the prices of any of the packages that we advertise. At the time of booking you will be told the current price of the package. You can book by paying a deposit, each person named on the booking. You will be told at what point in time you will become committed to a booking, but we are not committed to the booking until such time as we provide you with our confirmation of booking. Our commitment is always conditional upon all balance being paid before the date of departure.

7. Can I change my package arrangements?
After we have issued our booking confirmation we will do our best to accommodate any changes you may want to make but cannot guarantee to do so. Any changes must be notified to us in writing and signed by the person who signed the booking form. If we are able to make changes the amendment fee of £10 will be payable plus the cost that we incur in making the amendment. The costs of making a change increases the closer to the departure date you want to make it. Some arrangements, like particular types of tickets, cannot be changed without paying a cancellation charge of up to 100% of the cost of the ticket.

8. Can I transfer my booking to someone else?
You can transfer your booking to someone else provided you give us reasonable notice. This person must be able to satisfy all the conditions for the package and a change cannot normally be made later than seven days prior to departure. We will make an administration charge of £10 per person for every exchange we make plus any reasonable additional costs caused by the transfer. You will remain responsible for ensuring that the package is paid for by the balance due date. This is in addition to (and does not affect) the separate liability of the transferee to us.

9. How can I cancel my package?
You, or any member of your party, may cancel at any time provided that the cancellation is made by the person in whose name we issued the confirmation of booking and is communicated to us in writing via the office at which you made your original booking. You will have to pay cancellation charges set out in the scale below to cover our estimated loss resulting from your cancellation of the package and you may be able to recover charges from your insurers. Your cancellation will take effect from the date when we receive your written confirmation of your cancellation. You must also return any tickets or vouchers that you have received. A reduction in room occupancy may increase the charges for the remaining passengers by the addition of supplements for low occupancy of rooms.

10. Scale of Cancellation Charges [See note 24]

<table>
<thead>
<tr>
<th>Period before departure within which written cancellation of package price is received</th>
<th>Amount of cancellation Charge as a % of total package cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Deposit only</td>
<td>30% or Deposit, if greater</td>
</tr>
<tr>
<td>42-29 days</td>
<td>60%</td>
</tr>
<tr>
<td>28-15 days</td>
<td>100%</td>
</tr>
<tr>
<td>14-0 days</td>
<td></td>
</tr>
</tbody>
</table>

11. What happens if you change my package?
The arrangements for your package will usually have been made many months in advance. Sometimes changes are unavoidable and we reserve the right to make them at any time. Most of these changes are likely to be minor and we will do our best to keep you or your booking agent informed.

If, after booking and before departure, we make a significant change to your package you will have the option of withdrawing from the arrangement without penalty or alternatively you may transfer to another package without paying an administration fee. In either case we will pay you compensation according to the scale set out below.

A significant change includes a change in departure time or return time or more than 12 hours, a change of departure point, location of resort or type of hotel, including single overnight hotels on booking arrangements where the quality of the hotel is comparable, a change of mode when crossing the Channel, or the specification of the coach.

If you withdraw from the package because we have made a significant change or if we have to cancel your package for any reason other than non-payment by you we will offer you the choice of:

- A comparable replacement package if available;
- A replacement package of lower quality together with a refund of the price difference;
- A full refund of the money you have paid.

When we have notified you of the changes and options available, you must tell us your decision as soon as possible and within any timescale we may set in mind the need to sublet the booked arrangements of other customers.

12. Scale of Compensation
We will pay you compensation for significant changes on the following scale:

<table>
<thead>
<tr>
<th>Period before departure in which significant change is notified to you or your agent</th>
<th>Amount per person</th>
</tr>
</thead>
<tbody>
<tr>
<td>More than 42 days</td>
<td>0</td>
</tr>
<tr>
<td>42-29 days</td>
<td>£10</td>
</tr>
<tr>
<td>28-15 days</td>
<td>£15</td>
</tr>
<tr>
<td>14-9 days</td>
<td>£20</td>
</tr>
<tr>
<td>7-0 days</td>
<td>£25</td>
</tr>
</tbody>
</table>

Payment of compensation according to the scale set out above will not affect your statutory right to claim further compensation if, in all the circumstances, you remain dissatisfied.

13. What is the extent of our liability?
Your package contract with us will be performed or provided with reasonable skill and care. We accept responsibility if you or any member of your party suffer death or personal injury, or the contractual arrangements are not provided as promised in the result of our failure or our agents or suppliers or the employees of each whilst acting in the course of their employment unless the failure or improper performance is caused by:-

- you;
- any of the following:
  o a third party not connected with the provision of the travel arrangements;
  o unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, these circumstances, which we call force majeure, include, but are not limited to, war or threat of war, riot, civil骚动, terrorism activity, industrial disputes, fire, quarantine, epidemics or health risks, natural or nuclear disasters, port and terminal closures and adverse weather conditions.

Payment of compensation according to the scale set out above will not affect your statutory right to claim further compensation if, in all the circumstances, you remain dissatisfied.

If, after departure, we need to make a change to a significant proportion of your package we will do our best to make suitable alternative arrangements at no extra cost to you. If it proves impossible to make suitable alternative arrangements, or if you have reasonable grounds for refusing the alternative offers, we will arrange to return you back to your point of departure, or to an alternative location that we agree to. Unless the change is as a result of unusual and unforeseeable circumstances beyond our control (force majeure as described above), you will also be entitled to compensation.

14. What do I need to do if I have to complain?
If you have a complaint during your package you should tell the driver/representative or supplier at the earliest opportunity so that they can use their utmost to resolve the problem immediately. If they are unable to resolve the problem to your satisfaction you should complete a Holiday Report Form which is available from the driver/representative. You will be given a copy of this report which you should keep.
