1 - FINANCIAL PROTECTION
Your contract is with Titterington Holidays Limited of Central Buildings, Commerkoad, Penrith, Cumbria, CA11 7HF. When you book a holiday with us, which doesn’t include a flight, the money you pay for the booking will be protected by the Bonded Coach Holidays (BCH), this is a Government approved consumer protection scheme. The scheme will also ensure your repayment in the event the company becomes insolvent. Our Trading Charter and Booking Conditions set out clearly and simply the responsibility we have to you and in turn, you have with us, when a contract is made. Please see the BCH Consumer Guarantee at www.bch-uk.org. There is no financial protection if you purchase just transport or accommodation only from us. We fully comply with the Package Travel and Linked Travel Arrangements Regulations 2018. The combination of travel services offered to you is a package holiday within the meaning of the Regulations. Therefore, you will be subject to all rights applying to package holidays. Titterington Holidays will be fully responsible for the proper performance of the holiday and providing assistance if you are in difficulty. Your key rights will be in the details of the tour which will be provided prior to booking.

2 - BOOKING AND PAYMENT
When a booking is made, the ‘lead name’ on the booking guarantees that he or she is 18 or over and has the authority and accepts on behalf of the party the terms of these booking conditions and pays the deposit indicated in the brochure and as confirmed in the pre-contract information. After we receive your booking and all appropriate payments, if the arrangements you wish to book are available, we will send you a confirmation invoice within 14 days. This confirmation will include any special requests we have agreed. A binding agreement will come into existence between us when we dispatch this invoice to the ‘lead name’. Please check the confirmation carefully to ensure all the information is correct. This contract is governed by English Law, and the jurisdiction of the English Courts.

Single occupancy of rooms, when available, may be subject to a supplementary charge and these will be shown in the brochure for each booking. We can accept the booking by paying a deposit for each person named on the booking, £40 per person for UK holidays and £50 per person for Irish and European holidays, £100 per person for European River Cruises, but our commitment is always conditional upon the balance being paid at least 6 weeks before your departure. If you book within 6 weeks of departure, you will need to pay the total holiday cost at the time of booking. If the balance is not paid in time we reserve the right to cancel your holiday, retain your deposit, and apply the cancellation charges set out in the paragraph below. The date of cancellation will normally be the date we receive your written confirmation that you intend to cancel or 15 days after the balance due date, whichever comes first.

Where optional items are purchased as part of the holiday, these are payable on the balance due date except where items, such as theatre tickets, have been specifically purchased for you. In this case the cost will be payable at a separate date notified to you and will not normally be refunded unless we obtain a refund from the supplier we use.

3 - BROCHURE ACCURACY
Although Titterington Holidays Limited make every effort to ensure the accuracy of the brochure information and pricing, regrettable errors do sometimes occur. You must therefore ensure you check the price and all other details of your holiday with us at the time of booking and when you receive our confirmation invoice.

4 - OUR PRICING POLICY
Titterington Holidays endeavour to ensure that the most up to date and correct prices are shown in our brochure. Occasionally, an incorrect price may be shown, due to an error. When we become aware of any such error, we will endeavour to notify you at the time of booking (if we are then aware of the mistake) or as soon as reasonably possible. We reserve the right not to accept the booking if you do not wish to accept the price which is applicable to the holiday. Local Authorities in many towns and cities throughout Europe have introduced new tourist taxes which must be paid directly to the hotel by all guests in person. These taxes are not included in our prices but we will notify you when applicable.

Holiday prices include all travel, hotel accommodation and meals as specified in the holiday description and VAT payable in the UK where applicable. The price of the holiday will not be subjected to any surcharges.

5 - IF YOU CHANGE YOUR BOOKING
If, after our confirmation has been issued, you wish to change to another of our holidays or change departure date, we will do our utmost to make the changes, but we cannot guarantee to do so. However, notification must be received in writing at our offices from the person who signed the booking form, at least 6 weeks before departures. This must be accompanied by a payment of £10 to cover our administrative costs, plus costs we incur in making the amendment. Alterations cannot be made within 6 weeks of departure and any such request for an alteration will be treated as a cancellation of the original booking and will be subject to the cancellation charges set out in paragraph below. Some arrangements cannot be changed without paying a cancellation charge up to 100% of the ticket cost.

6 - TRANSFERRING YOUR BOOKING
You can transfer your booking to somebody else but the person must satisfy all the conditions of the holiday and you must inform us either by letter or email no less than 7 days before departure. There will cost £10 plus reasonable costs to make the transfer. You will be responsible for ensuring payment before the balance due date. This is in addition to (and does not affect) the separate liability of the transferee to us.

7 - IF YOU NEED TO CANCEL YOUR HOLIDAY
You or any member of your party, may cancel your holiday at any time provided the cancellation is made by the person signing the booking form and is communicated to us in writing via the office who made your original booking. You must pay cancellation charges to cover our administration costs and to compensate for the risk of us not reselling the holiday, if the holiday is resold a refund will be made. Your cancellation will take effect from the date on which we or our agent receive your written confirmation of your cancellation. You must also return any tickets or vouchers you have received. A reduction in room occupancy may increase the charges for the remaining passengers by the application of supplements to existing room occupancy. Where bought in supplies, such as ferries, hotel accommodation etc. have been bought in on your behalf, and where the terms and conditions of the supplier are non-refundable, these products will be charged to you at the full retail rate. If this applies, the non-refundable items will be deducted from your holiday costs and the following scale of charges will be applied to the remainder.

8 - ALTERATIONS TO YOUR HOLIDAY BY US
We hope that we will not have to make any change to your holiday but, because our holidays are planned many months in advance, we sometimes do need to make minor changes. We reserve the right to do this at any time. We will let you know about any important changes as soon as possible, including the minimum number of passengers required on the trip. If after booking, and before departure, we make a major change to your holiday, you will have the option of withdrawing from the holiday without penalty or transferring to another holiday without any change. In either case, we will pay you compensation, according to the scale set below. A major change includes the time of your departure or return time by more than 12 hours, a change in departure point, location of resort or type of hotel, a change in cross channel travel, or specification of the coach. If we tell you about any of these changes after we have confirmed your holiday booking (other than force majeure), you may either:
- accept the new arrangements offered by us; or

9 - OUR RESPONSIBILITY TO YOU
We accept responsibility for ensuring the holiday which you book with us is supplied as described in our publicity material and the services offered reach a reasonable standard and if you are in difficulty we will assist you. If any part of our holiday contract is not provided as promised, you may terminate the contract without paying a termination fee and we will pay you appropriate compensation if this has affected your enjoyment of your holiday. be limited in the manner provided by the relevant international convention.

If we make any payment to you or any member of your party for death or personal injury or illness, you will be asked to assign to us or our insurers the rights you may have to act against the person or organisation responsible for causing the death, personal injury or illness. This clause does not apply to any separate contracts that you may enter into for excursions or activities during or outside of your holiday. There is a seating plan but in some cases, operational reasons may require a coach with a different configuration. We reserve the right to alter a coach seating plan and allocate seats other than those booked. Single passengers may be required to share a double seat with other single passengers. When your booking is confirmed, you will be offered the best seats that are available at that time. If you feel that you require two seats, then these must be booked and paid for in advance, at the time of booking. If you fail to do this and it transpires that the seats you have booked are insured for your needs and there is no alternative seating available, then you will be refused access to the coach and any payments made will be liable to forfeiture.

Specific seats will not be allocated on coaches operating a feeder service between joining points and main holiday departure points or on coaches that carry out transfers between airports, seaports etc.

12- HOTEL FACILITIES

Some hotel facilities and entertainment may be withdrawn for routine maintenance or be subject to seasonal availability and provision of the facilities cannot be guaranteed. Single occupancy of rooms may be subject to a supplementary charge.

13- HEALTH AND SAFETY

In some foreign countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have special medical requirements for tourists. These regulations are subject to change and our clients are responsible for complying with entry and current health requirements. If you are not sure of the health requirements for the country you are visiting, you are advised to check with your GP before travelling. You are also advised to refer to the "Department of Health's Health Advice for Travelers." Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you are planning to undertake a journey of more than three hours, you should consult your doctor, if you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, stroke, heart or lung disease or if you have had major surgery in the past three months.

We reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. Where we provide comfort stops you are encouraged to walk around. Exercise reduces any discomfort which may be caused by periods of immobility.

NO SMOKING is allowed on our coaches (including E-Cigarettes) and we do not allow pets or any other animals, although we accommodate registered assistance dogs, but not on overseas holidays.

14- TRAVEL DOCUMENTS, ITINERARIES, PICK-UP POINTS AND PASSPORTS

For all Continental holidays, you will require a full 10-year British Passport (machine readable) valid for a further 6 months after your holiday. If you do not hold a full British Passport or you have any doubts about its status as a resident British subject, you must check with the Embassies or Consular representatives in the country to which you are visiting to confirm the Passport or visa requirements when you book. We cannot accept responsibility if passengers are not in possession of the correct travel documents. For full details on passport requirements, please contact the ‘identity and passport service’ on 0300 222 0000 (www.direct.gov.uk).

You are responsible for ensuring you are at the correct departure point, at the correct time and with the correct documents. Titterington Holidays reserve the right to modify itineraries to conform with requests from competent authorities both within the UK and abroad.

Excursions which are included in the cost of your booking are detailed on the brochure page and not included in any sample prices not taken. Optional excursions booked and paid for on resort do not form part of your booking. Admission fees to buildings may not be included in the price of the holiday, please check.

15- SPECIAL REQUESTS

All special needs and requests, if agreed, should be entered on the booking form and be included in the confirmation of the holiday. These cannot be guaranteed except where confirmed as part of our written commitment to you and are detailed on your holiday booking confirmation. We are keen to ensure that we plan the arrangements for your holiday so that special needs and requests can be accommodated as far as possible, if you will need assistance, or may be unable to fully enjoy all aspects of your holiday you must tell us in advance so that we can maximise your enjoyment of the holiday. We will need to know if we will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other means of transport. Before booking your holiday, you should be sure that you and your party are both physically and mentally capable of completing the itinerary. If you need advice or further information you should contact Titterington Holidays giving your original booking reference number and all other relevant information, including the reference of the Holiday Report Form. It is therefore a condition of this contract that you provide such assistance.

Important You must tell us if you have an existing medical condition, disability or complex need that may affect your holiday or other group members’ enjoyment of it before you book your holiday. We reserve the right to request a doctor’s certificate confirming the passenger is fit to travel. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition or disability, we reserve the right to refuse your booking. You are responsible for bringing with you the proper clothing and equipment, which we advise you about in our printed trip information. We want to you enjoy your holiday and will help you select an appropriate trip. Please contact us with regard to our policy on wheelchairs and mobility scooters.
